

At the October 26 board meeting the board of education approved an amended calendar. This calendar has several changes in the school year as a result of contract negotiations being settled at the end of September. The changes in the calendar are as follows:

- a. School will not be in session on April 26, May 24, 25, 26, or 27 – on the previous calendar these were regular school days. The last day of school will now be May 21.
- b. The following days school will be dismissed at 12:40 – after lunch (12:25 at RVMS), and buses will run at that time: Nov. 24, March 12, April 21, and May 12.
- c. The following days were scheduled to be early dismissals, but now there will be no school: Dec. 15, Jan. 26, and Feb. 19. These days were now all day teacher collaboration days.

Note: Due to shortening the school year, any days missed due to snow or other unforeseen reasons, will have to be made up. The days that will be used for this if needed, will be the days listed in item “a.” There are likely a few other adjustments to be made at individual buildings that are not reflected in this district calendar.
